Dear David,

Last year we decided to enrol one of our senior sales specialists on your Elite Conversions seminars.

It is with pleasure I inform you that he found the course to be both informative, challenging and of assistance for him in his day-to-day sales activities.

We, as the management team at PUMPnSEAL Australia, have noticed several changes in his performance, and attitudes in the month that have passed.

We thank you for the seminar and your time spent with us.

Gavin Taylor
