Dear David,

I write to thank you for making my Company a Powerful and Positive Company.

What a refreshing journey! Your style and approach has, from the first day, a very positive effect on the way both Christy and Alastair have towards their work.

Going forward and applying your methods, we can only get even more Powerful and Positive, both as a team and as individuals.

I highly recommend this course to every company and particularly to small companies who have a strong desire to succeed. It is a positive investment.

Thank you David.

Best Regards

Steve Kandiah
